

# Block Line-up

With advice from leading contractors in the Insulated Concrete Form business, Fox Blocks has created an incredible group of blocks.

## Fox Blocks Line-up includes:

(Please note: Fox Blocks are reversible. As an example, each corner block is a left or a right.)

- a) Straight Blocks available in 4", 6" 8" and 12".
- b) Extended 90° corners available in 4", 6" 8" and 12".
- c) Molded in corner bracket in all 45° or 90° corners.
- d) 45 Corner Blocks available for 4", 6" and 8".
- e) T-Blocks for available in 6" and 8".
- f) Brick Ledge Blocks available in 6" and 8".
- g) Radius Blocks for 5', 6', 7', 8', 9' and 10' radius. Only available in the 6" blocks.
- h) Taper Top Block available in 6" and 8".
- i) 4" high Extension. When you need extra height or to help with openings.
- j) Coming soon. You can be sure that the Fox Blocks brand of ICF will continue to listen to contractors advice.
