FOX BLOCKS ANNOUNCES BUILDING CODE APPROVAL FOR CITY OF LOS ANGELES

Fox Blocks, a division of Airlite Plastics Company, Omaha, NE., announced today that it has received approval for building use in the City of Los Angeles, CA.

Research Report RR25689 has been issued and is available for review at www.foxblocks.com on the Technical Data page.

This latest building code approval **for Fox Blocks** represents the next in a series of approvals **Fox Blocks** has and will achieve throughout the United States and Canada. It also demonstrates **Fox Blocks'** commitment to its customers in providing one of the most recognizable ICF wall systems among building code inspectors.

The name says it all. Like the fox, **Fox Blocks** is the design that outsmarts the others - clever, environmentally friendly, quick and adaptable to even the most extreme conditions.
