FOX BLOCKS ANNOUNCES BUILDING CODE APPROVAL FOR MIAMI-DADE COUNTY

Fox Blocks, a division of Airlite Plastics Company, Omaha, NE., announced today that it has received approval for building use in the County of Miami-Dade in Florida.

N.O.A. Report 07-0919.10 has been issued and is available for review at

www.foxblocks.com on the Technical Data page or at

Considered the most restrictive among American building codes, the Miami-Dade County building code approval for **Fox Blocks** represents the next in a series of approvals **Fox Blocks** has and will achieve throughout the United States and Canada. It also demonstrates **Fox Blocks'** commitment to its customers in providing one of the most recognizable ICF wall systems among building code inspectors.

The name says it all. Like the fox, **Fox Blocks** is the design that outsmarts the others - clever, environmentally friendly, quick and adaptable to even the most extreme conditions.
