FOX BLOCKS ANNOUNCES ROTELLA'S CUSTOM BUILDING SUPPLY AS LOCAL MANUFACTURER'S REPRESENTATIVE

Fox Blocks, a division of Airlite Plastics Company, Omaha, NE., announces the addition of Rotella's Custom Building Supply as a local manufacturer's representative.

Rotella's is an experienced supplier of many products needed for custom building of residential and commercial structures. Fox Blocks, windows, doors, exterior finishing products, railing, decking products, garage doors, Simpson Strong Tie, Windlock, foundation products, and blinds & shades are among the product line offered by Rotella's Custom Building Supply. They also offer estimating services, project supervision, bracing rental, accessories, and a full range of industry support. As Rotella's is not a distributor for Fox Blocks, customers can purchase Fox Blocks at the same factory direct prices as any other customer.

The name says it all. Like the fox, **Fox Blocks** is the design that outsmarts the others - clever, environmentally friendly, quick and adaptable to even the most extreme conditions.
